Greetings to you in the matchless name of our Lord and Savior Jesus Christ,

In the month of June we had wonderful Sunday worship services and average 49 people were attended in each service. Our church people used to conduct the praise and worship in every Sunday and Psalm reading by youths and last month we read Psalms from 68 to 72 complete portions. So every one can read and understand the bible by reading, because most of the people don't know how to read. Children were stand in the congregation and shared the memory words which they learned from the Sunday school in each Sunday. Every Sunday many people used share testimony about that God has done in their life and come from all walks of life to hear the word of God and opening their heart for Christ and enjoying the joy of salvation. At the end of each Sunday services we conducted the Holy Communion.

Around 13 women attend the Bible study and they used to pray for the nation to get peace. Please pray for this group of ladies so they could reach out to more women in all walks of life our community.

In last month we distributed 124 tracks to the nearby villages and visit many houses on Saturday and Sunday, personal counseling we had with problematic people in Sengadu village. One day a lady came with tears and shared that her husband came to home with full drunk and

had beaten with iron rod. He was not giving them proper care and protection and she told that it's better to die. She has a daughter, we met them both husband and wife and shared the spiritual Love and how God love us, after long time he change his mind confess before God and promised that he won't drink anymore. This family is orthodox Hindu family and they have own Hindu temple. Pray that God may change their lives and soon they come to know Jesus.

We are having a prayer fellowship group at Sirumathur and many people hear the word of God and opening their heart for Christ and enjoying the joy of salvation. Pray for the village called Sirumathur, majority of the people are under control of evil spirit and idol worshipers. Please pray that God may open their eyes and they would turn to God.
